We were able to make good use of the school holiday period, as four clubs were able to do their riding in the holidays.

Next Saturday 12<sup>th</sup> April Nunawading and Donvale will have their Practical Riding Test at Nunawading. We will also have three riders from other clubs Mooroolbark, Ringwood and Seville who were unable to participate during the holidays. 9.00am Presentation.

I am pleased to say this means that after next Saturday we have cleared the backlog from all the clubs who were disadvantaged by EI. All those needing to do C test prior to Games/Flat and State Champs will have had the opportunity to do so.

Next written paper is scheduled for 13<sup>th</sup> May however I have no application for that date

Other 2008 written dates are

June 17<sup>th</sup>

July 22<sup>nd</sup>,

Sept 3<sup>rd</sup>.

Presently I have one application from North Eastern for October

Please ensure that those who are training candidates are familiar with the new C syllabus and that candidates are familiar with new C Kit.

Please ensure that clubs have C certificates available on the day for the examiners to sign.
