

October 08. NMZ Examining Secretary's Report.

The following clubs have lodged applications for C tests for October:

Written was conducted on Monday October 6th with 2 sittings and candidates from 4 clubs.

Practical riding days are at -

North Eastern, Oct 11

Upper Yarra, Oct 25th

Kinglake with North Eastern

Lilydale, February Date to be confirmed

If you want some activities for your clubs during the summer holidays or if you run a pony club camp or sleepover get out the C books and choose some activities from there.

Some clubs say they don't have time for, or riders don't like... theory sessions.

There is no reason why theory can't be combined with a riding session. Also it is advisable for a C group to have the same instructor for their riding even if they are different ages. The instructor needs to tick off what the candidates have done in their C books.

Please try to have your C groups sit for tests as early in the year as possible.

Diane Baxter

NMZ Examining Secretary.

For club information

PCAV has two set dates on which candidates may sit for written K tests. These are:

1st Saturday in July (5th July)

1st Saturday in December (5th December)
