

## Examining Sec's Report - February 2009-02-18.

Mooroolbark PC had their written C test at Ringwood on Tuesday 17<sup>th</sup> Feb. Mooroolbark will have their practical riding day on 7<sup>th</sup> March.

Lilydale will have their written C test in March. Their practical test day is yet to be confirmed.

If there are any riders from other clubs who missed some of their riding, (eg their horse was lame, or rider had a broken arm, supps etc.), please let me know if they would like to complete their practical riding in February or March.

We had two candidates sit for B written in December both were successful and are presently preparing for their practical riding test.

We have a few candidates working on options for their K certificate. I know of one group who wish to do the 40k ride in April. If there are any others who would like to join the 40K ride for 2009 I would appreciate knowing as soon as possible. Please email me the names and club of those wishing to join in.

Clare Lewin has said that prior to C tests; clubs must forward to me a sheet for each candidate, signed by the club official who has been testing candidates or the DC, showing that each candidate has fully completed preparation for the C test. The sheet is the same as the front page in the green "C" Efficiency Test Candidate's Checklist.
