

There is only one C test organised at present - Nunawading
Written will be Tuesday Feb 15th and Practical riding on Sat Feb 26th.

Mooroolbark has an application in but I am waiting to hear when the riders will be ready to go ahead.

Dates for 2011 written are as follows.

Wed. 23rd March

Wed. 4th May

I have reduced the number of C testing days from 3 to 2 in terms 2 and 3 in the hope of offsetting subsidy needed for the Zone examining fees.

They are as follows:

Tues. 21st June

Wed. 3rd August

Tues. 13th September

Bearing this in mind Club representatives **should please** encourage their clubs to organise a C coordinator ASAP for their 2011 riders, and **make a plan now**, and choose a month that they will **most likely** have a group of riders ready.
