

ZONE REP REPORT MONDAY 19TH AUGUST 2011

AGM – 3 new councilors. Thank you to all clubs who voted.

NATIONALS

Very successful with our riders doing so well. Victoria placed 1st overall with wins and places in Junior Dressage, Senior Dressage, Senior Eventing and showjumping and games both senior and junior. Well done to all Victorian Riders they were a credit to their clubs.

A big thank you to Virginia Mock from Kangaroo Ground Pony club for being team manager for the Junior and Senior Dressage and also to Coleen Ray from Yarrambat Pony club for being team manager for the senior and junior Eventing. This is a difficult job and very much appreciated.

YARDING AT EVENTS

Will be on the agenda for next council meeting.

INSURANCE

Had some objections in relation to the 24/7 insurance. – decided not to start this year as would be too difficult to get funds into PCAV. Looking at starting next year. Will get the fees early from AON so we know earlier so we can set our fees.

PCAV MINUTES

Discussed at AGM and it was decided to put these back onto the website as we have had a lot of requests to do so. No hard copies will be sent out.

ZONE GENERAL BUSINESS

Grading –

Seems to be the same old problems with grading with many complaints received. Could all DC's please if they are having trouble with pushy parents please give us a call because Rachael or the DCI/ZA panel are happy to come and help. Am receiving complaints regarding senior riders riding in Grade 5. If you have a grade 1,2, or 3 rider then unless there are special circumstances they should not be graded Grade 5 as grade 5 is for beginners on small ponies. If riders refuse to go up DC'S can make them ride HC. The zone were thinking of having a grading clinic for DC's.
