

NMZ Examining Secretary's Report –

April 2012.

The group “C” test day was held at Mt Evelyn with Yarra Glen on Sat 24th March.

We have 2 clubs plus 1 rider from Sth Metro so far for “C” test in May. Written will be on 8th May at Ringwood.

We have two riders who will complete their K practical on Friday April 13th at St Andrews . We wish them good luck on their final day. They have two more riders who should be ready to complete their K in September.

I have one club pencilled in for August “C” test.

Kate, Rachael, Jennifer and I are planning a

K & C* evening on Friday 7th Sept.

It will be run along similar lines as the C night we held last year.

Please let any **riders** who have completed their C certificates and **club personnel** involved with certificate work,

know that this will be happening.

Many riders would like to do K or C , especially if they know there are other riders and instructors presently working towards it.

The 4 dates for the written tests are as follows:

8th May
19th June
11th August.

The practical riding days will be

May 12th or (19th (TBD)
June 23rd
August 18th (or 25th)
